BOARD OF DIRECTORS HAVE THE FLOOR

Your Board of Directors have been hard at work getting the new year off to a good start. As noted in this newsletter, we will be at the Boat Show for the first time. We are all excited about the prospect of new members this exposure will bring. But, we are also concerned with trying to make your membership worthwhile to you right now, and we thought you might be interested in some of the plans we have for the coming year. Along with this newsletter for our Local Chapter (which we plan to publish bi-monthly, we are also working on membership cards, a 1978 Chapter Directory, reduced prices on chapter-sponsored events, a discount on antique and classic boat literature, a National newsletter, sew on patches (available at a nominal cost to members), and wholesale supplies (this will be discussed at the February meeting). We would like to earn your support by providing GOOD FELLOWSHIP in the Land-O-Lakes Chapter, fellowship that will make you proud to be a member.

MARK YOUR CALENDAR

For your convenience, following is a list of the dates of the regular bi-monthly meetings;

February 19 - Surfside Supper Club
 April 16 - (to be announced) *SURFIDE*
 June 18 - (to be announced)
