FROM THE HELM
by SHERWOOD HEGGEN, PRESIDENT
LAND 'O LAKES CHAPTER ACBS

Welcome to the 18th annual Lake Minnetonka Antique and Classic Boat Rendez-vous.

We hope you thoroughly enjoy your tour of the docks. The boats displayed, which were once a common from the 1920's through the 1960's, are now a rare sight. Unfortunately, neglect and apathy have taken their toll on the existence of these beautiful pieces of craftsmanship. It is saddening to hear how these types of boats were burned, scuttled, or allowed to rot away when they were no longer wanted. Thankfully, there have been a few special people who knew what they had and carefully maintained their wooden boats allowing us to enjoy them today.

We, the members of the Land 'O Lakes Chapter of the Antique and Classic Boat Society, hope you may be one of those special people. If you have an interest in antique and classic boats, regardless of the material from which they are made, we encourage you to become a part of the Society and the local Chapter.

Fill out the application in this newsletter for membership. If you have any questions or just would like to talk about old boats, stop by the Information Tent -- we would love to spend some time with you.

SPECIAL THANKS TO THE EXCELSIOR PARK TAVERN

The Land 'O Lakes Chapter extends its appreciation to our host, the Excelsior Park Tavern, for allowing us to return to their docks to stage our 18th Annual Rendezvous. We encourage all the participants and the public to patronize the Tavern and enjoy their excellent service, food, refreshments and hospitality. Please consider the Sunday Brunch at 11:00 AM, refreshments at the outdoor facilities, and year round family dining. You may arrive by car, by boat, by snowmobile, by cross country skis, by bicycle, by... Sorry there is no helio pad available.
